

DRUPAL TRAINING DAY

SPONSORSHIP PACKAGES

INTRODUCTION

Drupal Training Days is an initiative inspired by the Drupal Association and developed by Consult and Design International in partnership with Sunderland Software City.

Drupal Training Days are ideal for those interested in exploring using Drupal as a choice of CMS, a choice of career, or just interested to learn more about what Drupal can do.

Drupal is an open source content management platform powering millions of websites and applications. It's built, used, and supported by an active and diverse community of people around the world.

Our aim is to lower the barrier of entry to Drupal with affordable, enjoyable and educational Training Days that allow you, your organisation or business to get started on a journey of Drupal Discovery.

SPONSOR OPPORTUNITIES

Sponsoring Drupal Training Days has the following non-exhaustive advantages:

- Promotion across the region through the digital and creative sectors
- Association with important regional brands
- Directly associating with one of the fastest growing open source technologies available
- Free tickets included with every sponsorship level
- 25% discount when sponsoring more than one event

We have trained some of the leading companies and non-profits in the North East including: Accenture, Teeside University, North Tyneside Council, Balfour Beatty, Northumbria University, Marketecture, Joseph Rowntree Foundation, Children North East and Union Room.

We are flexible on our packages so please contact us if you have any specific requests: ask@consultanddesign.com / 0191 645 1111
